

Happy New Year !

I hope you all had a great Christmas and New Year.

The new, or to some of the regions members the old, venue has worked out well with good comments being received.

Plans for the post Christmas bash have now been finalised so if you've not got your name down for a fabulous weekend away please see Lisa, or myself, urgently as any remaining places are on a first come first served basis. Also this and any of our events are always open to members from other regions so please don't be shy if you fancy joining us on any event please let me know!

The regions 2010 calendar has also been finished. The number and quality of the photographs submitted this year are probably some of the best I've had, so much so that that unfortunately I could not fit all of them in so have included them with this month report.

The first 6 months activities for the region have also now been pencilled in so check out the website or make sure at the January meeting to get yourself a copy so don't miss out!

That's all for this month, as I'm sure you've got to get out there and burn off those Christmas calories by washing & polishing the P&J!

Bye for now,
Zoe.
