

March 2008 Report from Cambridgeshire Region

Hi guys, well January thankfully turned out quieter than the previous months, which was a good thing as I did need my beauty sleep!

The first meet of the year was well attended with over 15 cars turning out. I must take this opportunity to say a huge Thank You to Jean and Theresa for all their efforts every month in organising the raffle and selling the tickets – they do a sterling job!

Anyway not a lot else has been happening and I need to get my packing done as we're off to the first C.R.A.P. (Cambridge Region Annual Party) event of the year this weekend at Wroxall Abbey so I'll just leave you with a list of dates for your diary for the next couple of months :-

Sun 16 – Club Meet

April

Thur 17 - Club Meet

Sun 27 – Chatsworth Gathering

May

Zoe.
