

## October report from Cambs TVR Region

A true test of a TVR owner is the number of events that they attend in spite of the weather and what can I say but we in the Cambridgeshire region were blessed with a plethora of such people as we had 27 cars turn out for our August meeting – thanks to everyone who made the effort to come along!

July was a busy month for the region, with 3 major events taking place 2 on the motoring calendar and 1 on a more personal level.

As my first taste of a 24 hour event, Classic Le Mans was a fantastic introduction and something I would recommend to everyone, the age range of cars was exhaustive from early Bentley Blowers right up to GT40's. The cars were split into separate groups depending on their age, with each group racing for 43 minutes, alternating over the 24 hour period. One benefit of this was the brief rest bite from the noise whilst the grid changed over!

Next on the calendar was the Kimbolton Country Fayre and Classic Car show which was again well attended and Thanks to Nicky for leading the group on this event. I was otherwise involved with running the Race for Life with Lisa and Jean and we in total raised £ 245.00 for Cancer Research so another Thank You to everyone who sponsored us.

August also bought another opportunity for a pose along side the Herts & Beds region at the 18<sup>th</sup> Classic Car show at Knebworth, The weather started off unsettled and slightly damp but as the day progressed the sun shone and the clouds cleared.

As some of you know John had a RTA in the Tuscan at the beginning of July, and we appreciate everyone for their support. John has fully recovered and so as the Tuscan which now looks remarkably like a Tamora now but I'm told it's something to do with the light reflection..

The next event is the Pidley Golf Tournament and Ten in Bowling, then as it's October the club meets change over to the 3<sup>rd</sup> Sunday until March next year.

I hope you all have had a wonderful summer despite the lack of sun shine, but as I said at the start who needs sun shine when you've got such a great group of friends and a TVR!

C U Soon
