

November Report from Cambs TVR Region

Hi Guys,

Another year has almost come and gone and yes you're stuck with me again for another year – personally I'm quite chuffed to be able to boss you guys around for another 12 months.

September seems to have come and gone in a blink but I think that because I was on holiday for the most of it. This time the TVRs were replaced with 2 convertible Mustangs coasting down Route 1 between San Francisco and Los Angeles. The drive is one of the best I've been lucky enough to enjoy and travelling along at the sedate speeds dictated by our fellow American road users John & Steve even managed to see some of the scenery instead of just the bend / road in front!

The September meeting was again well attended, with 15 cars making our last summer meet a lively night. Thanks to Kev & Lisa for taking the reigns on the night and making you lot behave yourselves.

As I haven't been around much this month it's difficult even for me to write about things I know nothing of so I shan't go on any longer other than to give you a quick recap of the last few events we've got planned for 2008 ;

November

7th to 9th – Ghost & Ghouls Weekend in Norfolk

16th – Club meeting

December

13th – Christmas Dinner in Hampshire

13th – Christmas Dinner in Elsworth

21st – Club meeting

28th – Post Christmas Blues Run

As the December meet falls so close to Christmas we may opt to postpone or move this meet but I'll put this out to a vote and let you know at the November meeting of the decision.

Also we are now looking to plan the regions events & trips for 2009 so if you've got any suggestions or ideas for any new or different events please can you let me know so I can throw them into the hat as well.

That's enough so I'm off, till next time

Take care

Zoe.
